Dr. Sahlstrom’s Message

Homecoming has come and gone at UMC. As with previous homecomings, it was a great success because so many of you returned for the many activities associated with that event. I'm sure all of you are aware that it is the highlight of the year for Mrs. Sahlstrom and myself as we have the opportunity to visit with you and to be brought up to date on your activities of the past year. I hope all of you will plan to be back with us next year and to come back to the campus at any time that it is possible for you to do so.

A number of changes continue to be made on the campus. A 48-bed dormitory was added this fall by moving apartments from the missile sites in North Dakota. As a result of the additional housing, we have the largest enrollment in our history (1036). Planning is moving ahead rapidly for the construction of the addition to the Learning Resources Center. Construction on that building that will be located between Kiehle and Dowell Halls will begin next summer. In addition, planning is moving equally rapidly for the new food service building. It will be located between Dowell and Bede Halls and we're hopeful that the money for its construction will be appropriated at the 1978 session. The other major development for which we are planning involves facilities for physical education and intramural and intercollegiate athletics. The addition of these new facilities will make it possible to provide a more complete education for the students who attend UMC.

I'm pleased, in my many travels, to meet with alumni in many parts of the country. It's always a thrill to see you and to hear of your many successes. Good luck to you all!

Provost S. D. Sahlstrom

President’s Message

When you receive our newsletter, you will be getting ready for the Thanksgiving holiday.

We of the Alumni Board hope that you had a good time at UMC's Homecoming. The game was a great success, and the Alumni Reunion at the Upper Deck was fantastic. The Alumni Dance at the Eagles was also a lot of fun.

If you have any suggestions that we as board members can change to have a bigger and better homecoming next year, please write us at the Alumni Office UMC, Crookston, MN 56716; or call 218-281-6510, Ext. 318.

There will be a lot of changes that will be taking place on campus this next year. We of the Alumni Board will try to inform you of these changes in our future newsletters.

UMC alumni return even though they transfer to another college.
Wayne Omundson Fosston, Minnesota, has been elected the new president of the University of Minnesota Technical College Alumni Association. The association and its executive committee replaced the previous board of directors.

Omundson joins eleven others on the board. Other executive committee members are: Vera Ford, Crookston, MN, vice-president; Irene Sirek, Crookston, MN, secretary-treasurer; Cary Sip, Ada, MN, chairman of the board; Suzanne Nelson, Winger, MN, director; David Bergh, Hallock, MN, director; Linda Bergh, Hallock, MN, director; Bobbie Niebauer, Crookston, MN, director; Lynn Finstad, Crookston, MN, director; Keith Ramberg, Crookston, MN, director; Jeffrey Sorenson, Ada, MN, director; and Curtis Zimmerman, Grand Forks, director.

Our thanks to Mr. Cary Sip who becomes past president and chairman of the board. Cary did an outstanding job, leading the Alumni Association to one of its best years ever. It was through his dedication and enthusiasm that the Alumni Association is successful in keeping in touch with UMC graduates. Thanks Cary!!

Brink Hall Dedication

Immediately following the conclusion of the Alumni Association general membership meeting, all alums returning for homecoming were invited to attend a very special event in Kiehle Auditorium.

At 11 a.m. on homecoming day a dedication program was held in the auditorium. At that time the student residence hall which was opened last fall was officially named in honor of the late University Regent Lyman A. Brink. The building, which is located directly south of Skyberg Hall, will henceforth be known as Brink Hall. Mr. Brink, an attorney, lived in Hallock and represented this Congressional district on the Board of Regents for a period of five years, up until the time of his death in 1972.

His widow and family as well as area legislators and UMC officials participated in the ceremonies. A dedicatory plaque was unveiled during the auditorium program, and was formally installed in the foyer of Brink Hall.

Last year 206 students graduated from UMC, 101 1/2 in Agriculture, 57 1/2 in Business, 30 in Hotel, Restaurant and Institutional Management and 17 in Home and Family Services, the largest class to graduate. Every year UMC graduates more students and placement has been approximately 94% since 1968. Students are finding jobs and are being successful in the world of work. Two out of five jobs are related to agriculture in some way.

Presently there are 1,316 graduates eligible to join the alumni association. We would like to encourage you to join and support us as we continue to grow.

About 550 freshman arrived on UMC's campus this past fall. We have over 1,000 students presently attending UMC.

BE SURE TO ATTEND THE ALUMNI PARTIES!!

Bit of News

We would appreciate any help from the UMC alumni in keeping us informed of job openings that might be available to graduates of our college. Being you are out in the field and have an idea of the job market, you can be of help to us by informing the Placement Office of these potential jobs.

Alumni, We Need You!

All of us on the UMC Alumni Board are concerned about the Alumni Association. We need your support and membership in order for its continuance. Without it our association will not be as effective as it should be.

The UMC Alumni Association has decided to initiate a fund raising program to help defray expenses that we are incurring. With over 1200 members if everyone donated $1.00 to $10.00 this would help to cover expenses and set up a yearly scholarship fund that would help some student with their college expenses.

A donation of $1.00, $5.00, or even $10.00 per year would help greatly. Below is a form for you to fill out and return to the UMC Alumni Association.

Please detach this portion and return!

MAIL TO: Don Cavalier, Alumni Relations, Dowell 119, University of Minnesota Technical College, Crookston, MN 56716

I am enclosing my donation to the UMC Alumni Association in the amount of: $1 $5 $10
