The 2.7 million dollar Food Service and Hotel, Restaurant, and Institutional Management Building is scheduled to be ready for student use when they return in the fall of 1980. The facility is built north of the campus mall with connecting links to Dowell and Bede Halls. It will be the most modernistic and well-equipped hotel, restaurant and institutional management facility in the country.
Letter from the President

Tom Feiro

A hearty spring hello from the UMC Alumni Board of Directors. Yes, spring has started to show around the campus. Even before the snow finished melting, students were donning sweatsuits for jogging, bike riding, or playing frisbee and softball.

Can you remember all the mud that was around campus in the spring? Well, it's still here and especially now that construction has started on the new gymnasium. There wasn't a flood problem in Crookston on the Red Lake River this year. Many times in the past students were called upon to help in the sandbagging effort. What about those crews who spent time on standby--at the Diamonds?!

Spring fever has set in on the UMC campus.

We have been working hard to plan for Homecoming festivities. You have been hearing word of an Alumni Recognition Banquet to be held Friday evening, September 26. The division has nominated a number of graduates for two categories of awards. Alumni Personal Service Awards will be given to graduates in recognition of their service to the University of Minnesota - Crookston. Nominees were chosen for their contributions of time, financial, student recruitment, public relations, job opportunities, alumni involvement and others. The other category is the Personal Achievement Award given to graduates who have attained unusual distinction in their profession.

It will make for an exciting evening to kick off Homecoming 1980! I hope all of you will mark not only September 27 on your calendar, but also the night before. We will hold the banquet in the new food service building to be finished this summer.

There will be two classes honored this year for 10 and 5 year reunions, class of 1970 and class of 1975. We are still looking for a couple members of each of these classes to help in preparing your activities and contacting graduates. Just a handful from each class would do wonders! If you would care to help, drop us a line at the Alumni Office before the end of May. We need to get these classes rolling during the summer.

The UMC Alumni Board of Directors are open nominations for interested graduates who would care to be a member of the board. Each year one-third of the board is re-elected. If you are interested in serving your alumni, please fill out the form. Elections will be held over the summer.

If you are unable to give time to assist your fellow alumni, keep in mind we are a non-profit organization. We have expenses to serve you in the best way possible. Even your small donations have been very helpful.

I hope you have an excellent summer. Check your mail for more Homecoming information. If there is anything we can do for you, let us know. That is what we are here for.

Have a nice day!!

Letter from the Provost

Dr. Stanley D. Sahlistrom

As I compose this letter to you, memories of many events of the past 15 years at UMC come to mind. It's been a tremendous experience for me as I've had the opportunity to become acquainted with each of you and to watch the growth and development of a great institution. As you undoubtedly know, growth is continuing both in terms of numbers of students and in terms of buildings and facilities on the campus. I hope each of you will make the date of our fall Homecoming - September 27 - on your calendar so that you'll be able to see the changes that have taken place and to have the opportunity to visit with friends and faculty at that time.

It's an exciting time on campus as construction of the new gymnasium has begun. In addition, the first contracts have been signed for the outdoor athletic complex. By the time of Homecoming, construction should be well along on the football field, other athletic fields, intramural facilities, as well as on the gymnasium itself. Plans are to move into the new HRI and food service building immediately after school is out this spring. A special cornerstone laying ceremony will be held for that facility later this year.

An open house was held in the new library on May 3. Also, groundbreaking ceremonies for the entire physical education facility were held on May 6. I cordially invite you to visit our campus during the summer months to see these changes that have taken place.

Best wishes to all of you from all of us here at UMC.
Joan Growe will be Commencement Speaker

Minnesota Secretary of State Joan Anderson Growe has accepted an invitation to address spring quarter graduates. The traditional year-end rite of passage for UMC sophomores is scheduled this year on Friday afternoon, May 16. Exercises will take place on the campus mall, weather permitting.

Grove, a former DFL legislator and secretary of state since 1975, was high on the list of preferred speakers. An elementary and special education teacher earlier in her career, Growe, 44, is now one of the top-ranking public officials among women in state government throughout the country. In recognition of her status and her overall ability, Grove has been elected president of the National Association of Secretaries of State (NASS) after only five years in that office.

Since serving a single term in the Minnesota House (1973-75), representing the Minnetonka district (40A), Grove has twice been the voters' choice for her present position, having been elected in 1975 and then re-elected three years later. Among her many professional and special interest affiliations, she is a member of the Federal Elections Commission Advisory Board and the State Board of Investment Executive Council as well as being extremely active in the DFL party.

Grove's political accomplishments have been instrumental in helping her earn several special citations in recent years. In 1977 the Minnesota Education Association conferred its Minnesota School Bell Award on Grove. The following year Grove received the Young Women's Christian Association (YWCA) Outstanding Achievement Award for Government/Politics. St. Cloud State University presented her with a Distinguished Alumni Award in 1979.

All alumni are encouraged to attend the graduation ceremony.

UMC CAMPUS MINISTRY

Campus Ministry at UMC has grown and reached many students and staff under the leadership of Brent Jacobson. Brent's campus involvement was recognized by Student Senate at the annual awards banquet by presenting him the plaque for Staff Most Supportive of Student Activities. We are pleased that Brent plans to continue at UMC in the fall.

The campus ministry program has become more diversified and continues to grow. In recent years as the budget has increased, the Campus Ministry Committee has been around $1000 short of meeting costs each year. Since all support for campus ministry is from churches and area church bodies, we are seeking to balance our budget with contributions from church organizations, students, and alumni. If the spirit moves you to support UMC Campus Ministry, please send your check to the Rev. Al Oelschläger, Treasurer, 1214 University Ave., Crookston, MN 56716.

UMC Still Growing

The first Registration and Parents Day for the academic school year 1980-81, which was held on Saturday, April 19, 1980, included over 350 students and parents. Approximately 135 students registered for the coming 1980-81 academic year at UMC. Student enrollment has been steadily increasing. Projected enrollment for this fall is over 1,100 students. We have approximately the same number of male and female students and next year’s freshman class may be the largest in the history of UMC.

HOMECOMING
'80 SET

Homecoming in 1980 at UMC will be the week of September 21, according to Alumni Relations Director, Don Cavalier. Honored classes will be the class of 1970, ten-year reunion and the class of 1975, five-year reunion.

The First Annual Alumni Recognition Banquet will be held Friday night, September 26, in the new Food Service Building. Awards will be given to UMC Alumni in two categories: Personal Service and Personal Achievement. The past presidents of the Alumni Association will also be honored for their contributions to the Alumni Association.

The football game will be one of the most important games of the year between UMC Trojans and Golden Valley Royals. Other activities include an Alumni Board and general membership meeting, post game social, division gatherings and homecoming dance.

Alumni are asked to place these dates on their fall schedules. Additional details and a complete homecoming schedule will be printed this summer.

NOMINATIONS OPEN

The Board of Directors of the UMC Alumni Association urge you to put on your thinking cap for an important assignment! Coming up this fall is the election of three new directors for the Alumni Board. We need your help in choosing candidates for the fall elections - we need your nominations. Please return the bottom portion of this page with as many nominees as you can think of and who would be active if elected to the Board. All nominees will be contacted before their names are put on the ballot.

Please return or call 218-281-6510, extension 318, with your nominations. Complete as much of the following information as possible: Name of nominee, address, telephone number, where he/she works and business phone number. Thanks! Hope to hear from you soon.

Evonne Ellingson, a 1977 graduate of the HFS Division, has replaced Debbie Wallenta Haley on the UMC Alumni Board of Directors. She will serve until 1982. Evonne is presently employed as an Assistant Teacher at UMC's Children Center.

Helen Murray has volunteered to represent the HFS Division on the Alumni Board. Ms. Murray graduated in 1977 and is presently the Activities Director for Villa St. Vincent's Rest Home.
Alumni - We Need You!

All of us on the UMC Alumni Board are concerned about the Alumni Association. We need your support and membership in order for its continuance. Without it, our association will not be as effective as it should be.

The UMC Alumni Association has decided to initiate a fund raising program to help defray expenses that we are incurring. With our 1700 members, if everyone donated $1 to $10, this would help to cover expenses and set up a yearly scholarship fund that would help some student with their college expenses. Also, a donation of $1 to $5 from each alumnus would go a long way in meeting the cost of UMC’s sculpture.

A donation of $1, $5, or even $10 per year would help greatly. Below is a form for you to fill out and return to the UMC Alumni Association.

I am enclosing my donation to the UMC Alumni Association in the amount of: ______$1 ______$5 ______$10
